Subject: - Mobile update of GST applicant/Taxpayers in Aadhaar.

Dear Sir,

Please refer your D.O. No. F.4/1/2017-AS(GSTC) dated 05th June, 2017, regarding difficulty in updating mobile number in Aadhaar data by the GST applicant/tax payers who are required to migrate to GST regime. The tax payers may use Aadhaar based e-sign facility to register themselves on the GST platform which requires Aadhaar OTP.

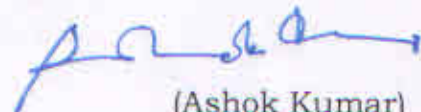

2. In this regard, UIDAI has rolled out online Update Client (UCL) for update of mobile and e-mail in the Aadhaar which, being online, enables faster update. The client is already rolled out by UIDAI Registrar CSC e-gov (Common Service Center) at more than 15,000 common service centers spread across the country and more such locations are being added by them. The list of State Nodal Officers of CSC e-Gov is attached (Annexure-I) who can be contacted for more information on these centers.

3. M/s CSC has been advised to facilitate mobile update from all its enrolment centers including, centers with UCL facility and to give priority to the GST applicant/tax payers.

4. As requested, a draft advisory is also enclosed (Annexure-II) which may be shared with field officers responsible for GST regulations and trade bodies/association.

5. Please feel free to contact us for any clarification.

Yours faithfully,

(Ashok Kumar)

Assistant Director General (E&U)

Encl: As above
